

REMARKS

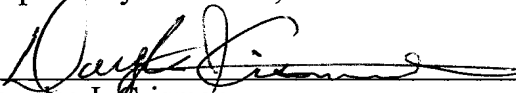

Amendments to the Figures

Revised Figures 1A1-3F are included in Appendix A. In this Amendment, Figures 1A1 – 2C have been amended to add the label “Prior Art.” Figures 3A-3F have been amended to include reference numerals and frame titles. No substantive aspects of the Figures have been changed. Support for the fact that figures 1A1-2C show “prior art” is found in the *Brief Description of the Drawings* regarding these figures, which is found on pages 5-6 of the current specification. Support for the reference numerals and frame titles is found in at least the corresponding text regarding Figures 3A-3F, which is found on pages 10-13 of the current specification. Furthermore, substantially all of these figure changes were previously submitted in the office action dated January 3, 2003, but were rejected for being handwritten. As can be seen in Appendix A, the current changes are typewritten. Therefore, the Examiner is respectfully requested to enter this amendment and allow the application.

The Examiner is invited to call the undersigned attorney at (650) 843-4000, if a telephone call could help resolve any remaining items.

Respectfully submitted,

Date: July 1, 2009
